On Sunday morning the warm sun
came up and – pop !- came a very
hungry

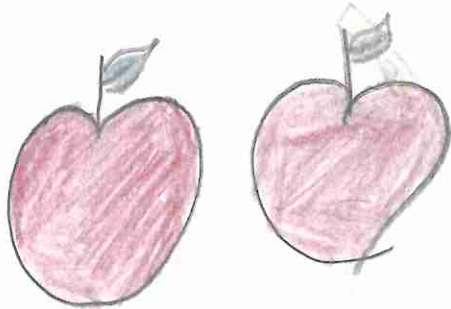

dog. It started to look for
some food.

One Monday it ate one
banana.

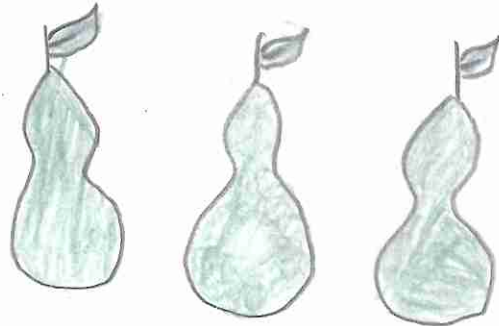

But it was still hungry.

One Tuesday it ate two
apples

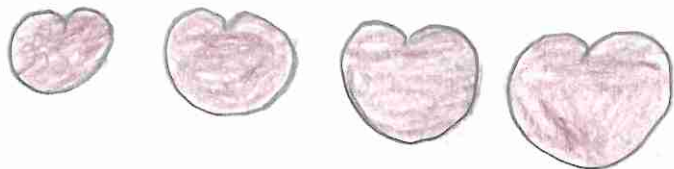

But it was still hungry

One Wednesday it ate three
pears

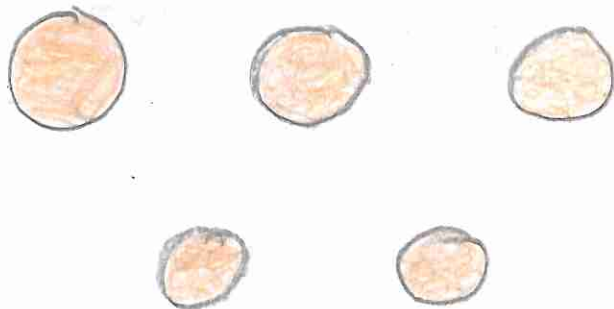

But it was still hungry

One Thursday it ate four
plums:

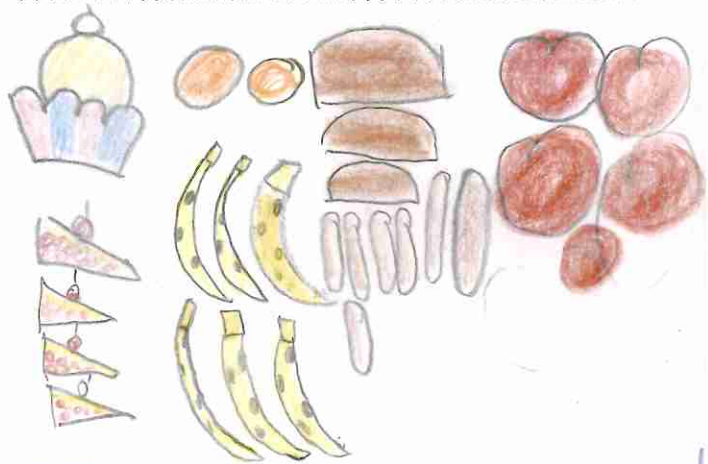

But it was still hungry:

One Friday it ate five
oranges:

But it was still hungry:

One Later day, it ate one
cup cake, two oranges, three cakes,
five tomatoes, four cherry pies,
six bananas and seven sausages.

That night it had a stomach ache.
The next day was Sunday again. The
dog ate one chicken, and after that
it felt much better.
